EXPERIENCE

WEB DEVELOPER

JUNE BUG SPORTFISH | HAMPSTEAD, NC

06/2024 – CURRENT

- Led a creative team of developers in designing websites for an assisted living facility and a local arts center.
- Created preliminary designs of business cards, letters, and invoices.
- Designed websites for clients individually and within group settings, incorporating AGILE Scrum team workflow.
- Developed graphic interactive source code files using C++ programming.
- Created domains and designed websites using Wix, WordPress, Squarespace and Adobe Dreamweaver.
- Formatted personalized websites for clients in Figma.
- Created media using Adobe applications such as Premiere Pro, Illustrator, InDesign, After Effects and Photoshop.
- Structured and presented architectural designs in Autodesk Revit.
- Designed models of houses, roads, and campuses in Sketchup Pro.

LAUREN HAUSMANN

WEB DEVELOPER, UX DESIGNER

CONSUMABLES ASSOCIATE

TARGET | WILMINGTON, NC

10/2024 – CURRENT

- Working closely with other departments, communicating consistently with managers and collaborating with members of my team.
- Assisting guests with finding specific products, answered questions and prepared orders.
- Setting up and updating pricing labels or signs, ensuring accurate pricing and clear visibility.
- Receiving and unloading deliveries, ensuring products are checked for damage and that correct quantities match shipment records.

BRAND OWNER

01/2017 – CURRENT

- Developed a unique brand through comics, videos, and animations.
- Accumulated 1.3M+ followers on TikTok and 400K+ on Instagram through posts and interactions.
- Published a business website with an online store and design portfolio.
- Hosted online events to promote engagement and advertise business.
- Designed and released merchandise and promoted sales.
- Measured analytics and metrics for continuous improvement of traffic by using GoDaddy digital marketing suite.
- Established workflow for requesting, creating, editing, publishing, and retiring content.

MARKETING CONTENT

IRI NYC | NEW YORK CITY, NY

12/2019 – 02/2020

- Developed a content series promoting iRi NYC's apparel to increase sales.
- Promoted audience engagement for iRi NYC's apparel on social media platforms.

LAUREN HAUSMANN

WEB DEVELOPER, UX DESIGNER

- Collaborated with the broader marketing team to produce effective content messaging and delivery.
- Created personalized digital illustrations for clients.

FREELANCE ILLUSTRATOR

05/2018 – 08/2021

- Communicated with businesses to promote brands by creating social media content and advertising client products.
- Maintained contact with companies to answer questions and submit progress of commissioned artwork for feedback.
- Communicated with clients to provide further details about services, ask for feedback and collect payments.
- Created personalized digital illustrations for clients.
